May 1, 8:30 to 11 a.m.

WHERE: National Press Club, First Amendment Room

529 14th Street, NW, Washington, D.C. 20004

These are unique times in today's travel industry. This panel will address topics such as the travel ban, trends and tendencies, safety and security as well as disruptions threats, business travel destinations, traveling with family and much more. Created by Meet Puerto Rico, which for 55 years, has told the story of the Island as a premier meetings and convention destination.
