

## **Come Meet The Magi!**

**Community** 2019-01-03 15:20:49

Washington, DC - For 42 years, GALA has celebrated Three Kings Day with the community. This year, due to funding and permit challenges, GALA cannot offer its complete **Three Kings Day** program. Instead, the Magi will greet children in the theater and gifts will be distributed. This program is made possible with support from the Mt. Pleasant Business Association and Casa de Cultura El Salvador.
