

LOCAL NON PROFIT AMEXCAN WILL HOST A HURRICANE MATHEW RELIEF ACTION MEETING

Community 2016-10-21 11:01:06

GREENVILLE, NC – The Association of Mexicans in North Carolina (AMEXCAN) and The Eastern North Carolina Latin-American Coalition, Inc. (ENCLACO) will host a community meeting to discuss the plan of action for the relief of the recent natural disaster, Hurricane Mathew.

Desperate times call for desperate measures. With that being said AMEXCAN will gather County Commissioners and Pitt County Agency leaders in efforts to brainstorm for the issues at hand. Many Latino families claim their houses were invaded and their belongings were stolen due to their evacuation. There have even been many complaints across the Belvoir area of the unbearable smell because there has not been any sort of community clean up services after the hurricane.

The Belvoir community begs to know what resources are available to aid the community. As community leaders and political figures, we must step up and take initiative in the relief process.

The main discussion points include: How can we unite the community to work together for a common goal? What resources do we have access to and how will they effectively help us in our endeavors? What is the first step in order to reach the community in the most impactful way?

AMEXCAN will be hosting the meeting this upcoming Monday, October 24, 2016 and it will begin promptly at 7:00 pm.
