

CNC Convenes Biennial Conference, June 11-12, in Nation's Capital

Community 2014-05-28 05:50:52

Washington, DC – The Cuban American National Council (CNC) will convene its 17th Biennial National Conference in the Nation's Capital on June 11-12, 2014, at the Mayflower Renaissance Hotel. The theme is "Latinos and the Americas: Engagement and Opportunity." Topics will explore the state of immigration reform, global medical tourism, U.S. policy and trade with the Americas, and the role and impact of women leaders. Register for the conference at www.cnc.org. Follow the conference on Twitter at #CNC2014. The full conference agenda is at <http://bit.ly/1oSRxwz>.

"The topics at this year's CNC conference are timely and relevant to the U.S. and international community," said CNC President Sonia Lopez. "This is a critical time to draw attention to these issues here and abroad."

CNC will acknowledge Individuals with awards of recognition for their leadership, achievements, and contributions to the Hispanic community. Women game changers from corporate America and the international community will give their perspectives about leadership and making a difference. Notable guest speakers and presenters at the conference plenaries include:
